

1st International Northern Emirates Pediatrics & Neonatology Forum Ajman NeoPedia 2022 Forum

WELCOME
Message

Dr. Amr Ismael M. Hawal
Conference President

It is a great pleasure and an honor to extend to you a warm invitation to attend Our 1st. International Northern Emirates NeoPedia Pediatrics & Neonatology Forum (Ajman NeoPedia 2022 Forum), to be held on 21-23 January 2022 in Ajman, United Arab Emirates in Collaboration with College of Medicine — Ajman University & in Affiliation with Amina Hospital, Ajman (Anglo-Arabian Health Care Group).

We sincerely welcome all the eminent researchers, students and delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future revolutions in the field of Pediatrics & its subspecialties.

Ajman NeoPedia 2022 Forum will be sorted out around the theme “To Promote Excellence in Pediatric Research and Child Health”.

Pediatrics is the branch of medicine concerned with the development, medical care, and diseases of babies, children and adolescents from birth up to the age of 18. The aims of the study of pediatrics is to reduce infant and child rate deaths, command the spread of infectious diseases, promote active lifestyles for a long disease-free life and help simplify the problems of children and adolescents with chronic conditions.

1st. International Northern Emirates NeoPedia Pediatrics & Neonatology Forum (Ajman NeoPedia 2022 Forum) provides Three days of robust discussions on methods and strategies related to diagnosis, prevention and management of pediatric diseases as well as explore new ideas and concepts on a global scale and the topics include pediatric Gastroenterology & Nutrition, pediatric hematology and oncology, pediatric allergy & Pulmonology, Primary & Preventive Child Health Care, Neonatology, pediatric cardiology, pediatric neurology, pediatric Surgery & Orthopedic and pediatric emergencies. The conference also welcomes the participation of Presidents, CEO's, Delegates and industrial executives from Pediatric Pharma and Health care sectors making the conference a perfect platform to network, share views and knowledge's through interactive keynote, plenary, posters and B2B discussions.
